

Is this your ride?

2016 PHOTOS NOW AVAILABLE

Did you race her last summer or plan to this season?

If this isn't your ride, no problem, I may have some awesome pics of you and your gang racing around the pins. I photographed some amazing races last season around Toronto and would like to invite you to review them, let me know what you think, and maybe you'll visit the gift shop on your way out. Please email me your boat name or sail number and your name and I will email you a password to access the gallery with pictures of your boat.

The photos are from the LO300 & the PCYC Open.

If publicity isn't in your thing, no problem; please let me know and I will remove all direct shots of your boat. (I'll do my best.. sometimes hard to remove boats from a fleet picture)
